EXPERIENCE

Account/Project Manager – Candid Digital (Previously Blank Analytica)

Aug 2024 – Present

- Manage **50+ concurrent projects across 40+ industries**, coordinating requirements, timelines, resources, execution, and delivery.
- Act as the **primary point of contact for clients, stakeholders, and internal teams** throughout the project lifecycle.
- Conduct client meetings, document **MOMs**, translate requirements into actionable tasks, and coordinate execution with relevant teams.
- Track deliverables against agreed requirements, review completed work, and communicate progress and closure to clients.
- Coordinate a **20+ member cross-functional team** across Development, Content, Graphic Design, SEO, Digital Marketing, and Automation.
- Guide teams through implementation challenges, blockers, dependencies, and issue resolution.
- Manage project scope, timelines, risks, priorities, and escalations across concurrent projects.
- Introduced milestone QA and risk checks that **reduced rework by 25%.**
- Built the team's **Notion-based project tracking system**, adopted as the standard workflow.
- Created SOPs and workflow documentation to standardize processes and improve team onboarding.
- Prepared monthly project reports and stakeholder updates.
- Managed client onboarding and escalations with a **24–48 hour turnaround**.

Selected Digital & Technical Work

- Built **SEO automation** workflows in Google Sheets for sitemap analysis, H1 checks, metadata extraction, and technical SEO audits, reducing manual audit work by **2–4 hours**.
- Automated WooCommerce product and custom post-type uploads using **ACF and Google Sheets**, reducing upload time by **2–8 hours**.
- Planned SEO-friendly website structures and content architectures for **15+ websites**.
- Created **10+ Web UI designs** using Figma, Google Stitch, Antigravity, and AI tools.

WordPress Developer (Contractual) – Beryl Agency

Nov 2023 – Jan 2024

- Developed and maintained responsive WordPress websites.
- Implemented front-end and back-end solutions using WPBakery.

Web Developer – Freelance

Nov 2021 – Aug 2024

- Served as the primary point of contact and gathered requirements.
- Developed and maintained **25+ websites** across **15+ industries**.
- Worked with WordPress, HTML, CSS, JavaScript, Bootstrap, Python, and Django.

Python Django Developer Intern – Homi Bhabha Centre for Science Education (TIFR)

Jun 2021 – Sep 2021

- Developed a Django-based Hotel Booking System with conflict-free booking logic.
- Supported development and maintenance of organizational projects.
